AUDITOR UNABLE TO ISSUE WARRANTS UNDER STATUTES

Senators Hold Up House Bill In Effort To Straighten Out Tangle

To most the difference between what the Territory pays its employes and what they will receive if the national guard is called to the Colors will amount to \$15,382.98 a month, or \$190,593.76 per namum.

not a cent of it will be spent un-ew legislation is devised under the suditor can draw the war-

At least, that was the way Scentor bingle said he understood the situation to stand. Seastor Coney, chairs of the military committee, said had been informed when the bilt was even him, that legislation would be introduced in the house to cate for such defect. Both President Chilling orth and Seastor Shingle said they not been able to learn that this ad been done.

The matter was a serious one and, in roles not to defeat the purpose of the infl, which has the hearty sympathy of the senate, it was taken from the ulendar and re-referred to the judicary committee for investigation and

Famous French Aviator Awaits Trial By Court Martial

the hospitul, was explured yesterday and now awaits trial by court martial.

It is respected, however, that Navarte is mentally subalanced, possibly on sections of the many dangers he has experienced in his spectagnar aerial exploits against the Germans. He will be examined as to his sanity before being placed on trial before a court martial.

Things—notwithetsuding that in virtually all other communities such practices are held as against public policy and are forbidden under heavy penalties.

It was Charles R. Forbes, superintendent of public works, who awarded the Quinn contract. It was Charles R. Forbes, chairman of the board of barbor placed on trial before a court martial.

CHARGE OF OFFICE FIGHT PROMOTER BARS

Vice Examination

Honololu's new postunaster, D. H. MacAdam, will not have to take as examination in ociet to hold his position, this because his second nomination for the position was confirmed by the some nite on March 27, and President Wilson did not issue until March 31, effective April 2, his executive order, placing postunaster of the first, second and third class postulation of the confirmation in postulation of the confirmation in the

\$50,000 a Head. PHILADELPHIA, March 30,—Prof.
David Starr Jordan speaking tonight at the University of Pennsylvania dwelt upon the tremendous cont of war as part of his pacified plen.

'It is costing the Allies \$50,000 to kill one German,' he declaimed. 'How many do you want to kill at that price?'

'All of 'am 'bysilled a reservice from the recruiting bureaus are getting spletening.

Forbes Mixed Up In Newest Pilikia

REPRESENTATIVE FURNISHED WATCHERS OVER VESSELS

All Strictly According To Law As Defined By Attorney

General 7 AAR 3

It's quite the thing nowndays for embers of the legislature to enter ino agreements or contracts with other ranches of the territorial government a perform services for which they raw down slices of the public funds. Even where they have themselves selped appropriate the money, it's considered entirely proper and correct for them to do such work and take the

H. Porbes, of the

even the German ships are mixed up in the affair.

In the affair.

According to vouchers on file in the office of the territorial auditor, Miles, as head of the Protective Agency of Haumii, has been paid more than seven hundred dellars for supplying watchmen for the harbor commission's waterfront patrol and to guard the Garman ships and see that they didn't aink or blow up in our harbor.

Files Protesting

Beprosentative Miles protests that he was entirely within his rights in supplying the watchmen—and under the recent fuling of the attorney general in the Quian case, he is correct in that contention. When protest was made against the payment to Senator E. W. Quian of certain bills for work and supplies for the Oaku prison, on the ground that he was a member of the legislature that appropriated the maney, the attorney general was asked for a ruling.

bor commissioners, and the board itself that arranged with Representative Miles to somely quards.

No Action Liftely

However, as a sepate investigating committee has reported that there was nothing wrong in awarding a contract to a senator, it is not probable that anything will be done about the Miles matter.

WASHINGTON, April 16—With the approval of the administration, Chairman Adamson of the house interstate commerce committee today introduced in the house an embargo bill empowering the President to forbid the export of anything deemed necessary to be kept in the country.

entinued from Page 1) to United States, and not of d. who counsels, aivises, n any such corresponde nay such correspondent, shall be pun not more than five t id by imprisonment d less than nix mon right of a uitizen to this agent, to any furnight of a utilizen to apply the agents thereof for any injury which he may alread from such government its agents or subjects, to or more persons, in any
